

General Data Protection Regulation Privacy Notice for Job Applicants

Under data protection law, individuals have a right to be informed about how the school uses any personal data we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data. This privacy notice explains how we collect, store and use personal data about individuals applying for jobs at our school.

We, Park Hill Infant School, are the 'data controller' for the purposes of UK data protection law. **Judicium Consulting Limited** are the Data Protection Officer. Their role is to oversee and monitor the role of the school's data protection procedures and to ensure they are compliant with the GDPR.

Why we use this data

The purpose of processing this data is to aid the recruitment process by:

- Enabling us to establish relevant experience and qualifications
- Facilitating safe recruitment, as part of our safeguarding obligations towards pupils
- Enabling equalities monitoring
- Ensuring that appropriate access arrangements can be provided for candidates that require them

Our lawful basis for using this data

We only collect and use personal information about you when the law or our policies allow us to. Most commonly, we use it where we need to:

- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else’s interests)

We collect and use personal data in order to meet legal requirements and legitimate interests set out in the General Data Protection Regulations (GDPR) and UK Law, including those in relation to the following:

- Article 6 and Article 9 of the GDPR
- Education Act 1996

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school’s use of your data.

Collecting this information

Whilst the majority of data you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the data protection legislation, we will inform you whether you are required to provide certain school workforce information to us or if you have a choice in this.

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you would go about withdrawing consent if you wish to do so.

How we store this data

Personal data we collect as part of the job application process at Park Hill Infant School, is stored in line with the school's GDPR compliant Data Protection Policy and our Records Management Policy. In accordance with the GDPR, the school does not store personal data indefinitely; data is only stored for as long as is necessary to complete the task for which it was originally collected. When it is no longer required, we will delete your information securely in accordance with our Records Management Policy which is in line with the Information and Records Management Society's toolkit for schools (see page 42).

Data sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so. Where it is legally required, or necessary (and it complies with data protection law), we may share personal information about you with:

- Our local authority, Croydon Council – to meet our legal obligations to share certain information with it, such as shortlists of candidates for a headteacher position
- Suppliers and service providers – to enable them to provide the service we have contracted them for, such as HR and recruitment support
- Professional advisers and consultants
- Employment and recruitment agencies

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

Requesting Access to your personal data

Individuals have a right to make a 'subject access request' to gain access to personal information that the school holds about them. If you make a subject access request, and if we do hold information about you, we will:

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

You may also have a right for your personal information to be transmitted electronically to another organisation in certain circumstances. To make a request for your personal information, please contact the school via email: enquiries@parkhill-inf.croydon.sch.uk or speak to our data protection compliance officer – Stephanie Croucher.

- Object to the use of your personal data if it would cause, or is causing, damage or distress
