### END OF YEAR SCHOOL REPORTS

Please find attached your child's Annual Report for the 2023-2024 academic year. Please share the positive aspects of this report with your child and help them to understand their next steps for learning.

As mentioned in previous years, many parents have commented that once they have read through the report, there is little left to discuss. If there is a small query, you may ask the class teacher at open classroom this on Wednesday 10<sup>th</sup> July from 3.45pm to 4.15pm. However, if you feel you would still like to make an appointment to see your child's teacher, following receipt of this annual report, regarding issues which you would like to discuss further, please make an appointment with the class teacher during open classroom.

Please could you make a written comment, for us to keep with your child's report, on the form below and send back to the class teacher. This is very important, both to confirm that you have received the report and to give your views about the progress that your child has made this year.

Thank you once again for all your support and co-operation during this academic year.

Yours sincerely,

Ms J Charman  
Headteacher

Several Year 2 parents have enquired as to how they can contribute to the school – please be advised that you will be able to make donations to our School Fund via ParentPay up until 31<sup>st</sup> August 2024.
