Dear Parents/Carers,

Nativity and Christmas Performances

As per the website calendar dates, each year group will have two performances to parents/ carers. To accommodate the maximum audience capacity, we are able accommodate a maximum of two adults for each child (due to space requirements, pre-school children will need to sit on your laps.) Please be aware that you will be asked to be seated during the performances.

In order to accommodate all families, we ask that you only attend one performance due to space constraints as per our risk assessment. All children participate in both performances and both shows are exactly the same, therefore there is no need to attend both.

Please use the online Teachers2Parents form, that has been emailed to you, to specify which date (from the list of dates below) you would like to attend (for your child's year group.) You may request for two adults to visit either one of the dates below or you may request for one adult to attend each performance.

Please be aware that requests can only be made up until **Wednesday 4th December** in order for us to plan seating. You will not be given a ticket for this event. The pedestrian gates on Cotelands will open 10 minutes prior to the start of each performance to allow entry into the hall of parents/carers who have requested a seat at the performance.
