

Monday 11<sup>th</sup> November 2024

Dear Parents/ Carers,

### Mathletics

Mathletics is an engaging, supportive, online learning resource that will be used to further enhance your child's maths skills. Once your child's details have been uploaded by the school, they will be able to use the program both in school and at home as much as they like! This online resource compliments the National Curriculum through interactive maths games and quick recall facts.

Please visit [www.mathletics.co.uk](http://www.mathletics.co.uk) for further information on the program.

Although there is a cost to this online resource, on this occasion the school is able to fund the program for **every pupil in our school** so that our whole school community is able to benefit from the resource.

The school has identified that using this resource contributes to its performance and therefore, processing your child's data associated with using this system falls under the legal basis of public task. Your child will receive their log in details in their book bags.

Should you wish to review 3P Learning's Privacy Policy, you will be able to locate this here: <http://www.3plearning.com/privacy/>

If you have any further questions in connection with the above or wish to opt out of this system, please see Mrs Croucher in the Office.

Yours sincerely,

Miss Ahmed  
Maths Lead
